

Automated our entire business for efficiency, growth and better Profits with **SAP Business One**[®]

MAGNACORE is a manufacturer venturing into diverse fields like Automotive and Engineering Industry for over two decades with strong OEM and export customer relationships. MAGNACORE needed a partner like Total Application Software Co. Pvt. Ltd. (TASC), and SAP's solution to manage their business along with a better decision support system.

Before: Challenges and Opportunities

- No standard process across departments and business units
- Lack of centralized system
- Inventory management and accuracy
- Lack of visibility into real time Financial and other reporting

Why SAP and Total Application Software Co. Pvt. Ltd. (TASC)

- MAGNACORE was looking for a world class business management solution to automate
- their entire process with real time inventory and financial reporting.
- Total Application Software Co. Pvt. Ltd (TASC) was chosen due to their wide experience in implementing SAP Business One across varied manufacturing domains.

After: Value-Driven Results

- Implemented Centralized system for managing multiple manufacturing units.
- Streamlined business processes across departments and business units.
- Ability to manage production well and deliver on time with accuracy.
- Visibility of real time & accurate inventory with alerts.
- Access to up-to-date Financial reporting.
- Rich analytics across business operations.

SAP Business One has helped manage our diverse manufacturing business units and with real-time inventory and financial reporting for proactive decision making. We are happy to have an experienced SAP partner like Total Application Software Co. Pvt. Ltd. (TASC) that has helped us achieve our business goals with SAP Business One.
