

# Ability to Digitally Transform our Business with SAP Business One®

Expert International perfects itself in the business of manufacturing and exporting high quality Agricultural Machineries, Equipment's, Fencing Products, Tractor Parts and other Fabricated and Machined items. EXPERT was looking for a partner like Total Application Software Co. Pvt. Ltd. (TASC), and SAP's solution for end-to-end automation of their business for better manageability and scalability.

## Before: Challenges and Opportunities

- Lack of centralized business management
- Difficult to manage Production process
- No clear visibility of Inventory
- Lack of integrated Financial system and business reporting

## Why SAP and Total Application Software Co. Pvt. Ltd. (TASC)

- EXPERT INTERNATIONAL required a solution to centrally manage and oversee their business that is growing exponentially with constant need for product innovation.
- SAP's Partner, Total Application Software Co. Pvt. Ltd (TASC) was chosen due to their vast expertise in SAP Business One implementation for manufacturing.

## After: Value-Driven Results

- Implemented business best practices across operations.
- Ability to manage production efficiently and deliver on time with accuracy.
- Real time visibility of Inventory with resource planning & optimization.
- Always up to date Financials and Business Intelligence.

**SAP Business One is enabling our business become streamlined across departments and enabling faster deliveries with efficiency.** We would highly recommend SAP partner Total Application Software Co. Pvt. Ltd. (TASC) that has helped us implement the solution and are supporting us in the journey towards complete automation.
