

# Handling business growth efficiently & accurately with **SAP Business One**<sup>®</sup>

PMD is a 50 years young company, manufacturing high end fully hardened injection moulding moulds and premium plastic household products by the name of **Gluman**. PMD chose a partner like Total Application Software Co. Pvt. Ltd. (TASC), and SAP's solution to streamline their business for efficiency & scalability and provide a robust decision support system.

## Before: Challenges and Opportunities

- Lack of process standardization across departments
- Manual entries resulting in inefficiencies and errors
- Difficult to manage Inventory and Sales
- Challenges with Production management and analysis
- Business lack of analytics across the board

## Why SAP and Total Application Software Co. Pvt. Ltd. (TASC)

- PMD needed a simple & reliable business management solution to streamline their entire business with rich analytics for quick decision making.
- Total Application Software Co. Pvt. Ltd (TASC) was chosen due to their wide experience in implementing SAP Business One across varied manufacturing domains.

## After: Value-Driven Results

- Streamlined and standardized processes across the business
- Access to real-time & accurate inventory
- Faster and accurate order fulfillment
- Ability to handle complex Production process with ease
- Business Intelligence across operations

**We were able to streamline our entire business with real-time Inventory, efficient and accurate order fulfillment and business analytics for proactive decision making.** We are thankful to SAP partner, Total Application Software Co. Pvt. Ltd. (TASC) that has helped us streamline our business and are supporting us in this journey.
