

Handling innovation and growth with ease & accuracy with Hyper connected **SAP Business One**[®]

RADICO is India's leading Natural and Organic cosmetics manufacturer with corporate office in India and distribution warehouse and international office in Torrance, Los Angeles, California USA and Bucharest Romania in Europe. Exporting to 100+ countries worldwide with rapid growth, RADICO needed a partner like Total Application Software Co. Pvt. Ltd. (TASC), and SAP's solution to manage their business along with a better decision support system.

Before: Challenges and Opportunities

- Multiple systems to manage business and lack of standard processes.
- Managing Production of multitude of products and packaging
- Mandatory Product certification and audit compliance reporting.
- Backward Traceability of raw material.
- Lack of a decision support system.

Why SAP and Total Application Software Co. Pvt. Ltd. (TASC)

- RADICO required world class and easy to use ERP solution that would standardize their entire operations from CRM to Sales and beyond with the ability to get real time Business Intelligence for better profits.
- SAP's Partner, Total Application Software Co. Pvt. Ltd (TASC) was chosen due to their consultative approach and deep experience in implementing SAP Business One across industries.

After: Value-Driven Results

- Implemented business best practices across operations.
- Ability to manage production well and deliver on time with accuracy.
- Farm to consumer traceability to meet audit & compliance needs.
- Business Intelligence for decision making and better Profits.
